Dear Parent/Carer

I am writing to inform you that, after over two years wait, Springwell is now an academy. The School and PRU no longer exist and we are now Springwell Special Academy and Springwell Alternative Academy. Both academies are part of the Wellspring Academy Trust and form, what we will call, Springwell Learning Community.

On a practical level this means very little as the day-to-day running of the two new academies will not change. Our logo and branding has changed and this will be phased in on the uniforms over time, so you will not be expected to buy new uniforms.

If you have any questions or worries about the change to academy status, please feel free to get in touch. In the meantime, please be assured that we will continue to provide the best possible care and education for your children.

Yours sincerely
