

Key Stage 4 Alternative Academy Curriculum 2018-2019

The academy recognises that a period of transition is occurring reflecting the way public examinations have changed. The following curriculum model has been designed to maximise opportunity for every pupil and to realise genuine aspirations by selecting appropriate subjects delivered through outstanding teaching and learning. Every opportunity is taken within KS4 curriculum to continue to develop SEAL and Spiritual, Moral, Social and Cultural aspects of the pupils' education brought forward from previous key stages. We also make every effort to teach an understanding of British values that reflect both the Academy and the wider community.
